PRIDAY, NOVEMBER 8, 1895.

An interview with P esident Cleveland in all probability, go to the United on the result of the elections might prove interesting reading about this time.

The Portland Argus used its base ball The bird was standing of its bead as

dole with Hilt. Both will retire from the Senate in March, 1897,

the New York Press publishes the following suggestive paragraph: AN ALBANY SHENGLE

D. B. Hill. Attorney-at-Law. L. Cleyeland, Notary Public.

We notice that Hon. John E. Russell has been appointed as a member of the Deep Water Commission. He might on take soundings and see if he can niecover the remains o the Democratic party. It was lost in very deep water

he will positively decline a re-election. Ly dently sovereign wants to devote his ...he me to boycot; the hateful but negot able notes of the National banks.

Harrey Shepard, the Massachusetts campa gui as a stump speaket, was -nowed under in his cortest for a scattin the gress in the recent election. He is a for that breed of statesmen this year.

over the election returns the headline-prosperity and Democratic success both a good way off." General Prosperity is nevertheless cer-due immediately after the Republican surface in their ef-victory of next year, but Democratic feet. Prepared a good way off." General Prosperity itsuccess not in the lifetime of the present by C. I. Hood &

In an interview with Candidate Campbel published in the New York Herabl just prior to the election there appeared the following statement

"Say to my New York, friends that I will be the next Governor of Ohio."
If any one can dig deep enough to get a: Campbell be might possibly like to was his Herald interview.

The Democrals made a gain of one in the lower branch of Congress as a result of Toesday's electron. Amos Commings succeeds the deceased Republican member who best Gen. Sickles last incl. However, Mr. Commings' Democracy is peculiar. It is of the New York New York New York Product of the New York New York Product of Toesday Inc. 1 (New York New York New

That is the only varie, y of Democracy that is left. The rest was buried on

The Tammany ticket won in New York city, but this victory although deplorable does not mean Tammany control, ORIEST of Hariford. the braves who have warmed their toes for so many years at the public expense are still out in the cole. If the Tammany opponents profit by the lesson of the recent election and stop dividing their strength Tammany will remain out.

What if (ampbell should be elected Governor of Ohio to-day? Would it not put him to the front as a presidential candidate? The chances are that if he is hesten it will be by so shall a majority as to make it a virtual victory.—Lexiston

The Campbell victory seems to be off at town election victories in Connecticut to which the Sun referred some time

Our Gardner, Secretary of the Democratic Congressional Campaign Commattee, says that the American people have declared against men and methods. This is quite right. The men are Democra's and the methods are the methods of the Democratic party and the condemnation, was limited only to the number of States holding election -. Had more states spoken the nr-raignment of men and methods would

The election returns are about what would be expected. With hard times still staring us in the face, the people are always ready to lay he blame to the party in power, regardless of whether it deserves it or not—field a Age.

have been more general. :

The Age must have sk pped the editoal pages of its Democratic exchanges for some weeks past. Said papers have been getting up the biggest kind of a business boom and have insisted that the country was apjoying unprecedented prosperity. Now the Age destroys this pet Democratic illusion by attributing the party defeat in the eccent elections to the hard times that are "still staring

The Boston Herald's Nashington correspondent says if the in-President had Fur Lines. The Boston Herald's Washington corparty next wear, it would now be evident that that desire could be gratified." Certainly after Tuesday's verdict anyone can have the nomination for the asking. It is only a question of offering up a sacrifice and most of the party would be pleased to cast Cleveland in that role. The overwhelming rou: of the Demo cratic party has settled the third term boom. Cleveland will now discover that it will be impossible for him, to allow the use of his name in the next conven

Eureks Chemical & Mfg. Co. La Crosse, Wis.

Bear Sirs—I have been a tobacco field for many years, and during the past two years have smoked fifteen to twenty eigens regularly every day. My whole nervous system checame affected, until very physician told me I muss give up the use of tobacco for the kince being, at leat. I tried the so-called "Reciey Cure," "No-To Bac," and various other semedles, they without success, until I accidentally learned of your "Baco-Curo." There weeks ago to day I commenced using your preparation, and to-day I consider myself completely circuit. I am in perfect health, and the hortillo craving for tobacco, which every involvents monter fully appreciates, has completely left me. I consider your "Maco-Curo" simply was iterful, and can fully recommend it. Yours very truly, C. W. Horsick.

Wisconsin Boat Wrecked.

Wisconsin Boat Wrecked. London, Nov. 7.-The forty-foot bout milt by Jenn Preitich of Malwankee Wise, in which he crossed the Adam're MSs. in which he crossed the Atlantic in 1894 and which he has some been ex-hibiting in Florkend was wrocked of rho-rocks off the Island of Bure, in it, hith of Clyde, during a gale which pre-vailed in that locality postedial. Freith in who was on the beaut whele do-was wrecked reached shore in safety.

Press Comments on Election.
London, Nov. 7. The Times says that the first to be deployed that German voters in New York did not prefer a Mr. high ideal to Sunday beer, allowance again soon to Sunany teer, attorance ought to be made for the weakness of human nature. It is doubtful p day, to Times thinks, to embitter and all matches Germans by mecomposmising substatizinism and crude repressive legislation.

consommenting on the results of the commenting on the results of the elections as a whole the Morana Use says: "The conduct of the last congess in relation to the tariff thoroughly decouraged the independent voters who secured the Democratic party was to make any show next Normber they must find means of redeeming their mast find means of redeeming their material manually has been refusant to the Chronide expresses deep react that Tammany has been refusant to the Now York, but says it is little supposed at the result of the election which it as oribes solely to Sunday loptor on stim.

Official Communication from

Official Communication from Campos.

New York, Nov. 7 - A morning paper stays: An official communication from Martings the Campos. Martinez De Campos, captain general of the troops in Cuba, was received a cha-

the troops in Cuba, was received a the Cuban headquarters in this city yesterday. It was shaply a copy of an official order sent to all generals of district and brigades. It was apparently sont is a guarantee of good faith on the part of the Spanish commander and evidently as a politic intimation that it would be possible to open up relations on a regular war footing.

This would mean that the Cubans formed a merit. It is this that the Cubans have been stricing for so long. They have been classed as outlaws, marderers, incembraies and robbers. Prices have been offered for their lads and their lives have been taken as 8 so as engineer of the prisoners of Span. The opening up of such negotiations would indicate that exchang a 90 prisoners would follow, certain agreems at affected, and the prisoners on both sides treated as soldiers. The contents of the circular or official order indicate a desire on the part of Gen. Campos to light fair on Decline to Cooperate.

Decline to Cooperate. Lordon, Nov. 7. The governments of South Australia, West Australia and Tasmania have declined to cooperate with the other interested governments in pushing the project for a Pacific submarine cables.

marine cable.

Causing Great Anxiety.

Madrid, Nov. 7. A despatch to the Heraldo from Havana says that the insurgent leader, Maximo Gomez, at the i.ead of a large force of rebels, is advancing upon Sacts Clara, while the leader, Macro, with his command, is making his way through the province of Puerto Principe. These movements of the insurgents are causing great auxiety to the Spanish authorities. Reign of Terror Prevails.

Relan of Terror Prevails.

CONSTANTINOPLE, Nov. 7. Trustworthy account from Exercum say that Turkish gregular troops took part in the recent massacre of the Armenians there and the plundering of their shops and houses. The condition of the Asiatic provinces, these repurs say, is deplorable, and a veritable reign of terror provides. Several servants of English merchants have been arrected while leaving it e postoffic with English newspapers which were configurated.

SENSATION SPRUNG By Manitoba Covernment in Con-nection with Parochial School Controversy.

Winaepeg, Man., Nov. 7.—The Minitoba government vesterday sprang a sensation in connection with the mrochial section controversy. Roman Catholic contection before the privy council of England and clesswhere has been that when Manitoba entered the Caundian confederation in 1870, the bill of rights adopted by the government declared that Catholic schools should not be interfered with The protestant contention was made in a rejected faill of 1873, there was no such a fereince in the adopted bill of 1873, there was no such a fereince in the atopted bill of 1870, which has the strang of being gennine and which the strang of the declare thouse the declared bill of 1870, which that the strang of the declare thouse the declared bill of 1870, which that the strang of 1873 but the did not on the bill produced is really 1873 but that the figure "3" has been changed into a cipher. The evidence seems conclusive Winnepeg, Man., Nov. 7,-The Manito-

INJUNCTION ISSUED Restraining Strikers from Interfer-ing with Property or Running of Trains

Trains

SPOKANL Wash, Nov 7. The strike situation on the Great Northern took a tew turn leat night. U S Judge Hanford, sitting at Walla Walls, issued an higuaction restraining the arrikers from laurfering in any manner with the proper v of the company ow the running of trains. This piaces the question in a different light, and would indicate that the rulhoud people fedred a strike. No more men have gone out, bur the A R. U continue to hold highly sessions and have appointed strike committees

GERMAN STEAMSHIP

GERMAN STEAM SHIP
Ashore at Little Metis Light—Passengers Safely Landed.
QUEBEC, Nov. 7. Signal service reports from Little Metis Light say that the German steamship Canadian of the Ramburg American Packet Campany, from Hamburg and Antwerp for Quebec and Moutreal with a general cargo and passengers, it ashore at Little Metis Light, 15 miles below Quebec, with her be tom cracked and tance full of water. She had on thourd 85 passengers all of whomewere safely landed at St. Ulrich. They proceeded from there to Little Metis and Canadian was on her last voyage to Moutreal for this season.

compination of artistic quarters which it embraces. The magnificent building stands at the entrance of Schenley Pars The style of the library structure is of the Italian renaissance. The walls are of Cleveland gray sandstone, and the

PLOT AGAINST WASHINGTON A Letter Bearing on the Subject for the First Time Made Public

At a meeting of the Columbia His_ torical Society in Washington, Monday night, the following interesting and bitherto unpublished letter of Washing

ton's was read Valley Forge Feb 28, 1778 - Dear Sir This instant returning from the committee and finding the post here, you must

C—y, Canway, M—, Miffin

This 'valuable contribution to history
was exhibited by Dr James Dudley
Morgon, to whose great uncle by mur
riage/Colonel John Fuzgerald of Alexandria, a member of Washington's staff,
the letter was addressed

Dr Morgan explained that Washington undoubtedly referred in his letter to
the scheme of Generals Gates, Conway
and Miffiln, a trio of Revolutionary
heroes, whom Washington asspected of
having formed a cabul to depose him
from the command of the army
Everybody present enjoyed the sentation that Washington's letter created
Librarian Spofford simply glosted over
it, and among the others who read and
re read the age-stained manuscript, were
the venerable Rev Dr. Sunderland, Rev
1. DeWitt Tajmage, John Kasson and
Dr. J. M. Torier, president of the societty

Successfully Opened Thursday
Evening:
A most suspicious opening of sile new bowling allers of Stanley Bros., occurred at 146 Broad street Thursday evening with a large attenda ce of people. The Stanley Bros, are well known for the fine a leys which they have put into many places in New England and Bangor has been given a first-class one.

The bowling parlors contain seven alless of the well known Narragansett make and are undoubtedly the finest the Stanley brothers have built up to date. All the arrangements are neat and convenient and the game can be played there under the most pleasing circumstances,

Lougee's orchestra furnished music during the evening and entertained the crowd. The successful start of the new by a liberal public patronage as it is well fitted up with conveniences and com-
